Parks

Dominick Lofino Park Tennis Courts are complete!

Courts are now ready for play. Lines are painted for both tennis and pickleball. Haven't heard of pickleball? It's a racquet sport that combines elements of badminton, tennis, and table tennis. Players use paddles to hit a ball (similar to whiffle ball) over a net. To learn more, visit <http://www.usapa.org/>. If you see anyone playing, ask them to teach you! There is always room for more players.
