

# BEAVERCREEK IN TOUCH

FOR BEAVERCREEK CITY AND TOWNSHIP RESIDENTS

SUMMER 2024

## Celebrate the Fourth of July with the City of Beavercreek

Mark your calendars and wear your red, white, and blue because the City of Beavercreek is gearing up for an unforgettable Fourth of July celebration! On Thursday, July 4, 2024, from 6 to 10:30 p.m., the city will host an array of festivities that promises fun for your friends and family.

The excitement begins at 6 p.m. with the city's Fourth of July parade. Starting from the intersection of Meadow Bridge Drive and Dayton-Xenia Road, the parade will head eastward along Dayton-Xenia Road, ending near Beavercreek High School. So, gather your friends, bring your lawn chairs, and line the streets to cheer on the floats, Beavercreek High School's Marching Band, and community groups proudly displaying their patriotism.

After the parade, head over to Rotary Park located at 2260 Dayton-Xenia Road, where the festivities will continue. Get ready for a fun evening of entertainment with live music featuring this year's headliner, Velvet Crush, playing your favorite hits from various decades. Children can also enjoy large inflatables, and food trucks will be available offering a variety of dinner options and snacks to satisfy every craving.

The main event, a fireworks show, will begin at 10 p.m. The City of Beavercreek extends its heartfelt gratitude to UES, Inc. for its support as the sponsor of the fireworks show for many years.

"We are deeply thankful to UES for the company's unwavering commitment and generosity in sponsoring our city's Fourth of July fireworks show," said City Manager Pete Landrum. "Their continued support plays a vital role in making this event a success year after year."

Businesses looking to showcase their community spirit are invited to join in the celebration by sponsoring this community event. By becoming a sponsor, not only will businesses elevate their visibility, but they will also contribute to the creation of cherished memories for thousands of attendees!

To participate in the parade or inquire about sponsorship opportunities, visit [beavercreekohio.gov/4thofJuly](http://beavercreekohio.gov/4thofJuly). So, mark your calendars, gather your loved ones, and come together to celebrate at Beavercreek's Fourth of July!

# Beavercreek City Council in Action

Residents are encouraged to attend Beavercreek City Council meetings, which are held on the second and fourth Monday of each month at 6 p.m. at Beavercreek City Hall, located at 1368 Research Park Drive. During these meetings, council passes legislation and authorizes budget expenditures related to the management and operation of the city, as well as the health, safety, and wellness of Beavercreek residents. Some of the agenda items recently approved by city council include:

- Resolution 24-8 approves a \$90,000 state grant for Beavercreek Police Department to update body cameras and related technology.
- Resolution 24-10 initiates a city-wide sidewalk assessment program for improved maintenance and safety.
- Ordinance 24-5 establishes a formal appeal process for property owners contesting code enforcement violations.
- Resolution 24-7 approves Greene County's countywide 911 system plan as mandated by Ohio Revised Code.
- Resolution 24-12 permits the Beavercreek Police Department to accept a state grant for its DARE program, helping to educate approximately 600 students annually on the dangers of drug abuse.

All city council meetings are open to the public, and agendas for every meeting can be found on the city's website at [beavercreekohio.gov](http://beavercreekohio.gov). If you are unable to attend a meeting, all city council meetings are recorded and posted on the city's YouTube channel and aired on the city's public access channel. Every meeting includes time for public comment, where residents have three minutes per person to address the council. Residents may also reach out to members of city council through the contact information listed on the back page of this newsletter.

## Join the City of Beavercreek's 2024 Citizens Academy

Register today for the City of Beavercreek's second Citizens Academy! The academy is a seven-week program that offers behind-the-scenes access to city programs and services. This is an excellent opportunity for Beavercreek residents and business owners to learn about city departments and divisions and how they operate.

In-person classes will be held Thursday evenings from 6 to 8 p.m. and will run from August 27 through October 3, 2024. Each class will focus on a different city department or division, including finance, engineering, public service, parks, planning and development, police, and more. The sessions are interactive and include activities such as facility tours, exploring equipment, and demonstrations.

The academy is free of charge, and all City of Beavercreek residents and business owners are invited to participate. We encourage you to sign up as soon as possible as space is limited. We hope you will take advantage of this opportunity to learn more about how the City of Beavercreek operates and how you can get involved in making Beavercreek an even better place to live and work! Visit [beavercreekohio.gov/academy](http://beavercreekohio.gov/academy) for more information and to register.

# City Implements Sidewalk Maintenance Program for Safety and Accessibility

Beavercreek City Council has passed a resolution to implement a new sidewalk maintenance program to improve pedestrian safety and accessibility. The initiative aims to address the upkeep of more than 105 miles of sidewalks throughout the city.

The new program will begin in 2024 and align with the city's annual street resurfacing and curb replacement program. City engineers will integrate sidewalk inspections along with their inspections of roadways and curbs, identifying areas in need of replacement to mitigate potential hazards along sidewalks. The goal of this program is to outline an orderly, consistent, and fiscally responsible process for sidewalk inspection and replacement before the city's sidewalks deteriorate to the point that it could endanger public safety.

This program marks the city's inaugural sidewalk maintenance program, responding to the aging infrastructure dating back to the 1980s when sidewalks became mandatory for residential subdivisions. Prior to this program, city sidewalk issues were only addressed upon complaint due to financial constraints. The city's ability to finance sidewalk repairs is limited as the city cannot utilize street levy funding to maintain or repair sidewalks.

As outlined in the Ohio Revised Code Chapter 729, the city reserves the right to implement a sidewalk assessment program. Similar programs exist in neighboring municipalities, including Oakwood, Huber Heights, Kettering, West Carrollton, Riverside, and Fairborn.

Under the new program, City of Beavercreek property owners will have two options for addressing sidewalk issues:

- **City-led Repairs:** Residents can opt for city-performed repairs and will likely benefit from cost savings through competitive bidding. Additionally, the city handles the coordination, scheduling, and quality control related to the work. Property owners may pay for the repairs in-full or elect to have the cost spread out over a 5-year period through a special assessment on their property taxes.
- **Self-repairs:** Alternatively, property owners can undertake repairs independently, ensuring compliance with city codes and standards. Should your sidewalk be identified for repair or replacement, you will be asked to make the repairs within the time period stated on the written notice. If the work has not been performed by the provided deadline the city will perform the work, with costs billed or assessed back to the property owner.

Contact the city's engineering division by calling (937) 427-5513 or emailing [publicservices@beavercreekohio.gov](mailto:publicservices@beavercreekohio.gov) for additional information and questions.

# Summer Tree Trimming Reminder for Property Owners

As summer approaches, staff with the city's Public Services Division would like to kindly remind residents to trim any trees within the right-of-way of your property that may obstruct the road or sidewalk.

Overgrown branches and limbs can pose safety hazards to pedestrians and motorists alike. Trees should be trimmed to a clearance of 8 feet above sidewalks and 12 feet above the roadway, while ensuring that any vegetation does not encroach onto the road or sidewalk.

Please do your part to keep our community safe and beautiful by ensuring that your trees are properly maintained. Thank you for your cooperation!

## Travis O'Neil Named Community Engagement Officer

The Beavercreek Police Department is proud to announce that Officer Travis O'Neil has been named Community Engagement Officer (CEO). Officer O'Neill was selected to replace CEO Kris Brownlee, who was promoted to sergeant and has assumed patrol supervision duties.

Officer O'Neill was hired as a patrol officer in February 2022. He graduated from the Sinclair College Police Academy and received his Ohio Peace Officer training commission in December 2005. Prior to joining our agency, Officer O'Neill was employed as a police officer with Grandview Hospital (now Kettering Health Police), an officer and dispatcher with the Village of Germantown, and a police officer with the City of Lebanon, where he held positions as a Detective, Field Training Officer (FTO) and Officer-in-Charge (OIC). Prior to being named CEO, Officer O'Neill was assigned to patrol duties, but often assisted with community engagement activities and filled in when needed as a school resource officer and background investigator.

CEO O'Neill is responsible for coordinating various crime prevention and community engagement events, activities and programs and providing public education on community policing objectives and practices within our community. He will be actively involved with planning and conducting popular youth and community programs such as Safety Town, Citizens Police Academy, and National Night Out, to name a few. CEO O'Neill will also work closely with the city's communications director to promote police department community events, news, and special programs through the agency's social media platforms. He is a natural for the role and is very excited about this opportunity. He has great plans for working in partnership with our residents, so when you see him out and about in the community, please be sure to say hello and join us in wishing him well in this important new assignment!

## BPD Seeking Community Volunteers for COPP Program

The Beavercreek Police Department is seeking volunteers to join the department's Citizens on Preventive Patrol (COPP). For 36 years, the COPP program has been an essential part of the department's operations, offering unpaid volunteers the opportunity to actively participate in ensuring the safety and well-being of the Beavercreek community.

Since its inception, the COPP program has been instrumental in saving taxpayer dollars while providing invaluable support to law enforcement efforts. Volunteers in this program undertake various non-enforcement duties, including patrolling Beavercreek roadways, assisting disabled motorists, directing traffic at accident scenes and civic events such as the Beavercreek Popcorn Festival, conducting vacation house checks, and providing additional eyes and ears to assist the department while out on patrol.

In 2023, four new volunteers joined the program, bringing the total number of active COPP members to nineteen. Together, they contributed more than 2,500 hours of service to the Beavercreek Police Department and its citizens.

Residents and business owners interested in making a positive impact in their community by becoming a COPP are encouraged to consider volunteering for this esteemed program. Additional information about the program, including requirements and responsibilities, can be found on the city's website at [beavercreekohio.gov/copp](http://beavercreekohio.gov/copp).

# BPD Appoints Its First Female Detective: Casey McCain

The Beavercreek Police Department has appointed Officer Casey McCain to detective, marking the department's first-ever female detective in its history. Officer McCain, began her journey with the City of Beavercreek Police Department in February 2022. Prior to her tenure here, McCain served as a police officer with the City of Urbana since 2016, where she gained experience in various areas of law enforcement, including officer-in-charge responsibilities, LEADS TAC duties, and fleet maintenance.

McCain honed her skills as a dispatcher at the Champaign County Communications Center from 2013 to 2016, where she managed calls for multiple police and fire departments. A proud alumna of Urbana High School, McCain pursued higher education at Clark State Community College, graduating with an Associate of Science Degree in General Studies in December 2017. Her commitment to law enforcement was further solidified by her successful completion of the Clark State Community College Police Academy, where she

obtained her Ohio Peace Officer Training Commission certification in November 2015.

"Officer McCain has consistently demonstrated exceptional professionalism and dedication throughout her career," said Beavercreek Police Chief Jeff Fiorita. "Her assignment to detective is a testament to her exemplary service to the Beavercreek community and leadership qualities. We are proud to have her as the first female detective in our department's history."

Currently, among the 50 sworn police officers, the Beavercreek Police Department has a total of 10 female officers, representing the highest number of women ever to serve on its force.

## Join BPD for National Night Out

Beavercreek Police Department is partnering with Beavercreek Parks, Recreation & Culture to host National Night Out on August 6, 2024 from 6 to 8:30 p.m. at Rotary Park, 2260 Dayton-Xenia Road. National Night Out is an annual nationwide campaign to enhance the partnership between local law enforcement and the communities they serve by bringing police and citizens together for an evening of celebration.

This year's event will include other local law enforcement agencies and the Beavercreek Township Fire Department, along with food trucks, entertainment, inflatables, and municipal and emergency response vehicles on display. Come on out to Rotary Park and meet your neighbors and get to know the first responders who keep our community safe, while enjoying a fun, family event! Visit [beavercreekohio.gov/events](http://beavercreekohio.gov/events) for more information and updates.

## Beavercreek Township Fire Department Promotes Firefighter as Lieutenant

The Beavercreek Township Fire Department appointed Joshua Smith, a dedicated firefighter, to the position of Lieutenant, marking a significant milestone in the department's history.

Firefighter Joshua Smith has a passion for serving his community and ensuring the safety of others. Born and raised in Beavercreek, Ohio, Joshua's journey in emergency services began after graduating from Beavercreek High School in 2008. He wasted no time in pursuing his calling, enrolling at Sinclair Community College where he earned an associate's degree in EMS and Fire Science. During his time at Sinclair, Joshua also attained certifications such as Level 2 firefighter, paramedic, and fire inspector, laying a strong foundation for his future career.

Joshua furthered his education at Columbia Southern University, graduating with a bachelor's degree in Fire Administration. Armed with a solid academic background and a deep commitment to his craft, Joshua embarked on his firefighting career with the Beavercreek Township Fire Department in 2012, initially starting as a part-time firefighter before securing a full-time position in 2014.

Throughout his tenure with the department, Joshua has demonstrated a remarkable dedication to honing his skills and expanding his expertise. He has undergone extensive training and holds technical rescue certifications in various specialized areas, including ice rescue, rope rescue, swift water operations, vehicle rescue, trench rescue, structural collapse operations, and confined space rescue.

In addition to his hands-on training, Joshua has pursued advanced certifications, completed Fire Officer Levels 1 and 2 courses and obtained certification as a Live Fire Instructor. His commitment to excellence and professional development has earned him respect among his peers and leaders in the firefighting community.

Currently, Joshua serves in multiple capacities within the Beavercreek Township Fire Department. He is valued as a department fire instructor, sharing his knowledge and experience to mentor and train fire personnel. He also contributes as a member of the fire apparatus spec committee, ensuring that the department's equipment meets the highest standards of safety and effectiveness. Furthermore, Joshua is an integral part of the Region 3 Rescue Strike Team, ready to respond to emergencies and provide critical assistance in times of crisis.

Outside of his demanding role as a firefighter, Joshua finds joy and fulfillment in his family life. He cherishes moments spent with his wife Caitlin and their two boys, Henry and Julian. An avid supporter of his children's interests, Joshua actively coaches their sports teams and relishes opportunities to bond with them outdoors.

Joshua eagerly anticipates the challenges of stepping into the role of Lieutenant and is grateful for the opportunity to further advance his career.

## BTFD's Live Burn Training Ignites Preparedness

The Beavercreek Township Fire Department recently conducted a comprehensive live fire training exercise, made possible by a generous donation of a house to the department. From search and rescue operations to fire attack strategies, tool usage, hose line pulls, pump operations, smoke reading, and incident command protocols, the training covered all aspects of firefighting in a controlled environment.

Under the guidance of experienced instructors, firefighters tackled simulated scenarios closely resembling real-life emergencies. Live fire training replicates the challenges of actual firefighting scenarios, exposing firefighters to realistic conditions, including heat, smoke, and rapidly evolving situations. This equips them with the confidence and competence needed to handle emergencies effectively. Moreover, live fire training allows firefighters to familiarize themselves with building construction and layout, enhancing situational awareness and decision-making abilities during emergencies. They gain invaluable insights into navigating confined spaces and identifying potential hazards. Additionally, the controlled setting encourages firefighters to experiment and refine their tactics and strategies, leading to improved overall readiness.

As the Beavercreek Township Fire Department concluded their live fire training, the impact of this hands-on experience reverberated throughout the department. With refreshed skills, heightened confidence, and a deeper understanding of firefighting fundamentals, firefighters stand ready to protect and serve the community with dedication and professionalism.

## BTFD Auxiliary's CERT Training Enhances Preparedness

In March, the Beavercreek Township Fire Department Auxiliary successfully conducted its Community Emergency Response Team (CERT) class, aimed at educating volunteers on disaster preparedness.

Led by experienced instructors from the Beavercreek Township Fire Department Auxiliary, the program covered fire safety, light search and rescue, team organization, and disaster medical operations. Participants learned essential skills

such as fire prevention, extinguishing fires, and assisting in rescue operations. The training also emphasized immediate medical care, including first aid and triage.

The success of the CERT class underscores the importance of community-based preparedness initiatives. By investing in volunteer education and training, the Beavercreek Township Fire Department Auxiliary ensures residents are ready to respond swiftly and effectively to emergencies, enhancing overall resilience. For more information, including how to get involved, visit the Community Emergency Response Team web page at [www.beavercreekfire.org](http://www.beavercreekfire.org) or contact Tiffany Saffell at [tiffany.saffell@gmail.com](mailto:tiffany.saffell@gmail.com).

## Volunteer Spotlight: Sharon Fulcher

For more than eight years, Sharon Fulcher has been an integral part of Beavercreek's Parks, Recreation, and Culture Division. Her commitment to service and her infectious enthusiasm have left a lasting impact on the city's parks division.

Throughout her tenure on the Parks, Recreation, and Culture Board, Sharon's presence has been felt at numerous city events. From Soar into Spring to Winter Welcome at Wartinger Park, Sharon's smiling face has become a familiar sight. Her willingness to pitch in wherever needed, whether it's setting up, tearing down, or even running a bounce house, demonstrates her unwavering dedication to the community.

Beyond her involvement in park events, Sharon has contributed to various committees and focus groups, playing a crucial role in shaping the city's parks master plans. She has also been an active member of the city's 4th of July committee, helping to coordinate the beloved Independence Day parade.

Sharon's volunteer journey began long before her board membership. She organized volunteer efforts with her church, rallying groups to clean up city parks and paint fences at local cemeteries. Her hope was to inspire others to join in the effort of beautifying and maintaining Beavercreek's outdoor spaces.

While she may no longer serve on the Parks, Recreation, and Culture Board, Sharon remains committed to serving the community at local events, ensuring that her local impact continues to be felt. Next time you attend a Beavercreek event, keep an eye out for Sharon Fulcher!

## Beavercreek Community Library Dedicated as the Carol Graff Beavercreek Library

The Beavercreek Township Board of Trustees has dedicated the Beavercreek Community Library as the “Carol Graff Beavercreek Library” to honor the legacy of long-time Beavercreek resident and public servant, Carol Graff. With more than 45 years of public service, Carol Graff has served the Beavercreek community in various capacities, including Beavercreek Township Trustee, Beavercreek City Council member, and Mayor of the City of Beavercreek.

Carol’s dedication to the Greene County Public Library system, serving as a member of the Greene County Public Library Board of Trustees since 2005 and as Board President since 2007, is a point of pride. She played a pivotal role in the construction and expansion of the current Beavercreek library. Carol’s strategic vision for the library has led the Greene County Public Library system to its current success, including receiving numerous national awards and recognition. It serves as a hallmark for the Beavercreek community and beyond to cherish and enjoy.

## Beavercreek Township Awarded \$1.5 Million in Federal Funding for Valley-Bell Connector

U.S. Representative Mike Turner and U.S. Senator Sherrod Brown have announced that Beavercreek Township will receive \$1.5 million to enhance the intersection at the Valley-Bell Connector. These funds have been allocated as part of the federal appropriation’s 2024 Community Project Funding, secured through the Priority Development and Advocacy Committee (PDAC) of the Dayton Development Coalition (DDC). PDAC is a committee that assists in identifying regional priorities for funding public projects that contribute to economic development, health, education, and overall quality of life in the area.

The Valley-Bell Connector serves as an important link between Valley Road and Indian Ripple Road, aimed at improving safety, connectivity, and economic development in the region. Notably, this connector facilitates access to key locations such as U.S. 35, the Greene County Regional Airport, the Valley Springs Farm Planned Unit Development (PUD), and the future site of Fire Station 66. Additionally, it is part of the Greene County Thoroughfare Plan, further emphasizing its significance in regional infrastructure development.
