

REPORT A POTHOLE

Name of street the pothole is on and closest house number if known:

Name of nearest cross-street, intersection, or landmark:

Any other information on the pothole or its location; you may leave a phone number or e-mail address in case City Staff needs more information:

REPORT A TRAFFIC SIGNAL LAMP OUTAGE

Intersection location of traffic signal:

Is the entire traffic signal out in all directions or only one lamp of one signal?

Entire signal is out

Only one lamp is out:

Red

Yellow

Green

If only one lamp is out, which street and traffic direction is controlled by the signal that has the bad lamp? (Eg. Dayton-Xenia eastbound)

REPORT A STREET LAMP OUTAGE

List the street location of the street light and the nearest landmark such as a business or street address:

To submit form by email, click the link to the right. If you use a program on your computer to send email such as Outlook or Thunderbird, then select Desktop Email Application. If you use a web-based email service such as Gmail, Yahoo, Hotmail, etc., then select Internet Email, save the form where it can be easily found, open your email service, select new email, attach the form to the new email, and send it to cable@ci.beavercreek.oh.us. Call 937-426-5100 x342 for assistance.
