

## Beavercreek 4<sup>th</sup> of July Sponsorships

The mission of the City of Beavercreek Parks, Recreation & Culture Department is *to deliver recreational experiences that enhance the quality of life.*

Our community has been celebrating the 4<sup>th</sup> of July for many years with a parade, entertainment, children's activities and fireworks. This event brings families together to create memories that last a lifetime.

Over the past 4 years, we have been able to fund our event 100% through donations. Our committee is already hard at work planning the 2020 festivities; please consider supporting your community through a sponsorship for this annual event.
