

CITY OF BEAVERCREEK PARKS, RECREATION & CULTURE DEPARTMENT

2020 FOURTH OF JULY VENDOR APPLICATION

The 2020 4th of July event in Rotary Park is seeking vendors for food and other appropriate 4th of July and Beaver Creek items for this year. Vendors may be either from a commercial venture or a non-profit organization. Non-profit organizations that are accepted as a vendor will not be charged for a location in the park. For commercial vendors there will be a nominal \$50 fee payable in full before Friday, June 12.

Because there are no electric, running water, sewage or trash facilities available each vendor must be self-contained. If you have an electrical source that does not create noise (gas generators may not exceed 3700 watts) that would interfere with the events going on at the band stand, then please let the committee know what that source is.

All applications must be returned to the Department of Parks and Recreation, either in person or by mail, no later than June 12, 2020. You will be provided with a map showing the location you have been assigned and a parking pass - you will not be able to park multiple cars by your spot.

Vendors of non-food items that do not require the use of a booth please indicate that fact under "Additional Information".

Please contact Greene County Health Department for information on vendor permits: 937-374-5600

ALL ITEMS ON THIS APPLICATION MUST BE FILLED OUT, OR THE APPLICATION WILL BE RETURNED TO YOU
